

You all listen to my phone calls. You all read my shit. Just fuck it. I win. I, Fucking, Win.
In the end, I know how to word things perfectly. Everyone either wronged me personally or they did ①
Something worse than me. I am Charlie Bucket and you are all a bunch of Oompa Loompas to me.
Waleed Abugharrem won't talk to me anymore. Oh well, they're violent Hamas sympathizing terrorists.
Somewhere that Mexican they didn't want to be with their daughter will gladly testify on Fox News
any day about how that family wronged them. Even if they allowed her to be with him, former
Cattaraugus County Libertarian Chairman Luke Wenke remembers Khaled saying Hamas needs to
go Auschwitz on Israel. All of Luke Wenke's former substitute teaching students who became
corrections officers at Cattaraugus County Jail remember those conversations. Oh you think Luke
Wenke is lying? Wow look at this illegal conviction on paper, [Victim-1] did this to him to
get his client sentenced to less time. Andrew and Krystie had their swastika paper bags on
their heads a little too tight one day and they were just doing their jobs. Wow fuck you George
Borrello, you didn't answer my attempts at reconnecting with you after Allenwood. Glad I got
photographic evidence to prove we've known each other since 2019 when you wanted the Libertarian
line on the ballot as you called me first, not the other way around, as I was driving back from
Jamestown after a piano tuning customer. Kathy Hochul, Antonio Delgado, and all the county
Democratic parties will gladly testify to my giving them George and David DiPietro's phone
numbers in 2023 to create bipartisan dialogue for once. Wow Carl Paladino fuck you
all you ever did was bitch at people over email. Wow Carl what a shit influence you were
on me in 2010 when I dedicated my first vote to helping you beat Rick Lazio in the
primary. Wow Carl you hired a pedophile to work on your 2022 Congress campaign just
like my cousin/Katie's ex P K. Hi my name is Luke Wenke and I put
the Urban Dictionary definition for "Wenkeville" up back in high school. Wow fuck you
Wenkeville reunion, I wanted to go in 2023 but you assholes stereotyped me in 2023

because of what happened to me and you tried getting me arrested for trespassing. Waw fuck you
 Libertarians, you all got in fist fights at your national convention in 2024 legal paperwork can
 prove I wasn't at. Waw sorry I paid for a presidential debate in 2019 for you retard. ②
 Waw Vermin Supreme fuck you photographic proof I met Benjamin [Ryan] through you, Waw look
 at me I'm Luke Wenke and I put the Urban Dictionary definition for "Flex Off" up a while ago.
 Guess I'll draw more anime pictures of myself and do that since fuck both Benjamin [Ryan]
 and Katie who that May 2024 psychiatrist asked if I touched myself to in jail.
 Waw Katie knows you since 2010 so you attack my mother's new restaurant online. Yeah legalize
 drugs and go Amsterdam on prostitution and let Steve Pigeon and Richard Greer pay midgets to
 choke on their dicks but ok how come John Sinatra's ^{relative} got insider privileges and got out first
 before illegally convicted me? Waw Biden pollster John Anzalone's relative Alexander
 Anzalone, is that new janitor job at Cellino and Barnes janitor job treating you well?
 Waw Michael Crick you false fucking prophet of [address] I decided I'd rather
 be a celibate Catholic Priest forever. Waw fuck you [Ryan's family] I baked a Confederate themed
 cake for you in 2020 but then Brett's maid Elexya got her Elmer Fudd
 bazooka out and shot the cake like a mentally ill Horizons mental health short bus retard.
 Waw fuck you former high school Principal Chris Siebert, what you done to your dead wife
 Heather and why you give shit paperwork on me to the court in 2022? Waw so much for being the
 Class of 2010 Class Speaker. Waw fuck you Mayor Aiello, your longtime friend my cousin P
 K told me you and the rest of your Clean City government retirement Fund payroll members had
 been plotting to do this some for years after that Chuck E Cheese meme I made Clean Times Herald over.
 They all want to be Mayor of Clean, let them fight on the Clean High School stage over that job.
 Waw fuck the credit union, I had to fight them in court after they kept trying to sell my
 house after my mother absolutely paid all of my bills. Waw the credit union embezzles shit into the
 County government. Katie and all her Salamanca exes have Salamanca CCSE

Credit union accounts and they all got hit to do that to my car in 2022, Waw Fuck you
 Buffalo area private lawyers like Frank Lo Tempio and Barry Caver, I lost everything (3)
 thanks to this illegal conviction [Victim-1] and his private weekend security guards Andrew and
 Krystie conspired to do to me to get that Bill Clinton judge Michael J. Davis' sentences
 for his clients down. Waw Fuck you Capitol Riots, you're all a bunch of groupies,
 Waw Fuck you Tops Supermarket Shooter, I stood up for George Floyd, Waw Fuck you
 Danny Masterson, I was in the comment section of your Youtube show for years
 inviting you to fuck my asshole while I put water balloons in my shirt like boobs, Waw
 Fuck you Danny Masterson, you could have raped me for free, Fuck those Buffalo private
 lawyers demanding \$20,000 over ending a fucking email fight or time served no more
 probation. They're not accomplished, they're overpriced. Waw Fuck Jay Ousiwitch,
 he forged my signature and dropped my Appeal. Waw Fuck you Ivan Hunter, you're
 younger than me and I saw Afghanistan and Iraq were a losing cause right away so
 fuck your military service Ivan Hunter, the Taliban won. Waw Fuck you Buffalo
 Bills, you don't win. Waw Fuck you Jacquie Walker and Luke Moretti, Officer Krupke
 at Chautauque County Jail raped mine and Arthur Hubbard's butt every night but you
 guys were too busy interviewing Ralph Bucky Phillips summer 2023 to answer my calls
 David Rudroff was blocking. Waw Fuck you Katie's friend Kellen Quigley
 of the Olean Times Herald, [Victim-1] paid both you and Katie to produce bullshit news
 articles about me, Waw Fuck you Buffalo News, the stenographer leaked my drawing of John
 Sinatra to you guys and you just replaced Garfield the cat with Sinatra the judge, Waw Fuck
 you former Olean NY Dominos employee, Google says you're racist, I took George Floyd's side

Waw Fuck you Kamala Harris, 4 years in office and what kind of thanks did you give the George Floyd goers? I remember Daniel Christmann and Jake Lang of the Capitol Riot. Daniel begged me to go on my presidential debate stage absolutely findable all over the internet. Jake Lang's father knows Daniel. Jake had a baseball bat and a gas mask at the Capitol Riot. Jake and Daniel are violent Capitol Riot groupies. They all get a groupie pardon in 2025. Counterman v. Colorado 600 U.S. 66. Public safety drones that go the speed of sound and public safety satellites using Xray Vision on everyone's homes and cars from space watching iPhone trackable Luke Wenke drive from Bucktooth Run Rd. Salamanca NY to Big Cabin Oklahoma so I can talk mad shit about [Victim-1] on Twitter all over again like it's 2022. Vice-President of Public Safety Equipment Manufacturing Operations Kevin at Siemens Dresser Rand of Olean since he has his MBA from the University of Tennessee. Waw Fuck you Chinese buffet immigrant labor, your egg rolls give us diarrhea and they're giving Dr. Rutter chlamydia and gonorrhea, go work for Kevin making public safety satellites. Hey Fuck you Judge Whoo Fukwboo, you got your judicial middle management job for life. Hey Fuck you Vilardo, Richard Greer has no witnesses to subpoena and you denied him bail way the fuck back in 2023. Hey Fuck you [enemy inmate] of Baltimore MD, I want Herman Cain the Godfather's Pizza motherfucker back in 2011 so catch up motherfucker, Fuck your Suboxone Sinatra's relatives have MDMA. Fuck you B.O.P. your K2 drug sucked. My name is Luke Wenke and Rubio at Allenwood was so shuper duper sexy he was from the Bahamas he was a cocaine dealer I'm Luke Wenke I'm a shuper duper fucking faggot Rubio can jam his dick up my ass any day Waw Fuck you Katie and Benjamin [Ryan] go shit on each other and call it a Cleveland Steamer waw Fuck you every fucking faggot I ever met at Marcella's fudgepacker bar, you all have AIDS. Waw Fuck you TISELOS you don't even exist. Waw Fuck you Indiana your 2020 marijuana laws kept me at Allenwood an extra 6 months but at least Rubio made my shuper duper faggot senses tingle!

I am a very competent person. I don't like lies about me on paper. It is Thursday 1
 August 15th 2024 as I write this one up. The Buffalo Federal Public Defender's
 Office absolutely told me on the phone today that Frank Passafiume took a 2 week
 vacation. I talked to a woman on the phone about it. I tell the truth in court
 unlike the rest of the liars of this case. The two other sheets pages 1-4 I am sending the
 court in today's envelope were written up last night as my mind was racing in my favor.
 The cartoon of Carl Paladino's speeding ticket with Judge Whoofukwho was sent last
 night in a separate envelope. I am competent and I remember shit.

Go to that Buffalo Federal Public Defender's Office run by Marianne Mariano.
 Ron the Investigator, Fonda Kubiak, Erin Adams, they all work there. They can't run
 and they can't fucking hide from me. Frank Passafiume took a 2 week vacation.

Go fucking fact check my claims, motherfuckers. Call 716-551-3341 from
 the Orleans County Jail phone and the lady answers but officers can't hear my calls.

What's Frank Passafiume doing on his 2 week vacation? You don't know what else
 was said on my phone call with that lady. Is Frank out in Minnesota on [Victim-1] 3
 Lake Superior yacht with Katie [Victim-1's spouse], [Ryan's mother]
 and Krystie from the Buffalo FBI? Revoke his fucking passport and audit his
 fucking credit cards because none of you motherfuckers know what else was said on
 the phone between me and that lady. Why didn't Frank include her on [Victim-1] 3 yacht?
 She too fat and ugly for Frank's tiny ass dick? Marianne Mariano too old for Frank?
 What the fuck does [Ryan's father] think about Frank going on [Victim-1] 3 yacht with [Ryan's mother]?

2 and a half years is long enough you fucking assholes. Fuck this shit. That fucking (2)
 office full of tax subsidized public pretending motherfuckers owes my mother Janet
 McCaul and Jeff Bish of the Town of Olean Volunteer Firefighters' Salamanca Broad St.
 restaurant a federal fucking small business grant of at bare minimum a few thousand
 dollars to make up for their conflict of interest shit with Katie you all
 fucking know about. Get your fucking federal cryptowallets out you motherfuckers and
 wire that shit over to Republican county legislator Laurie Hunt of the Salamanca CCSE
 Credit union you all know god damned well I talk to Fran here because as of Frank
 Fucking Public Pretending Passafiume's 2 fucking god damned week vacation out there on

[Victim-1] 's yacht making femdom Pornhub videos with [probation officer] on a fucking
 bitch leash with [Ryan's mother] shitting on his fucking face calling it a Cleveland
 Steamer, oh as of right now I just became the judge of this retarded as fuck
 bullshit case you all know is fucking so so done.

Get the Tops Supermarket Shutter out while you're at it. Send his case over to
 some county Republican judge out in the Adirondacks. Idaho Black Trump 2024
 supporters paid Peydon a visit. Fake news, none of us were at Tops in 2022 to know
 what really happened. Get Peydon a federal grant so he can open a holographic video game
 laser tag room where players attack nigger zombies. Fuck this shit. Holy fucking
 Christ is John Sinatra taking my DNA samples and wiping them all over Katie's
 vagina saying I'm the father of the kid John got Katie pregnant with? Republicans don't like
 abortion Katie. You can't forge my signature on that ECMC birth certificate. That's John Sinatra
 and Katie 's pair of octuplets coming out 9 months later. Fucking Katie the Octopussy Octohoe.

Third is the charm. This competently written Free Speech exercise gets sent along with ① the other papers. Go listen to my phone call with my mother Janet McCaul from today, 8/15/24. Ron the Investigator has been to her house, Alex and Marianne talked to her just Fine, Katie has been to her house and my maternal half brother, age 10, remembers her. Fonda was a bitch to my mother on the phone in 2023 and Frank is afraid to call her. [Probation officer] too. Why? Russies. Afraid of a woman aged 52 born with incurable macular degeneration who can't legally drive but has an unbeatable restaurant?

She was my father's first of four wives. Wenke v. Wenke, 219 A.2d 884 is out there in the Albany NY Supreme Court files somewhere proving it was former Town of Carrollton NY Justice of the Peace Carolyn Giardini's side of the family that won in family court, not the Wenkes. I heard about my father's testimony on me from June to the bullshit psychiatrist whose paperwork I never saw. Check my phone call from today. My father's second wife was [Dana] from Knoxville, TN and her current husband [name] is from

[city], NC - where the [Ryan's family] are from. Dana knows about my situation too and during a 2014 visit between her and I in Chicago, Dana told me about my father things I didn't know. Because of his testimony on me, now I have to speak further. He described me as submissive? He raised his hand to me in his Section 8 apartment December 2023 with his current wife [name] present to see it. Frank Passafiume knows the woman Fern who had to supervise my father during his sporadic visits in my childhood. Ask any Wenke relation, When my father was a student at Archbishop Walsh in Olean, another kid beat him up on the front school yard and my great grandmother Geraldine Wenke

(2)

of [redacted] in Orleans had to rescue him saying "Leave my Kevin alone".
 No one ever punched me in the face in school. Ask my recently retired high school principal
 Chris Siebert of Salamanca about what happened between me and Christian Milanauski.
 That was the only feud in school I ever had, I won, it was nothing. Grama Giardini pushed
 Grama Wenke down the stairs because of that Wenke v. Wenke case, her first husband who
 recently died Monty Shoemaker punched her in the teeth. Nobody ever got physical with me
 because I'm not an asshole. I'm Biff Tannen / ~~Marty~~ McFly, it's my father who is
 George McFly. I bought my house myself and I copied my still-living maternal Uncle
 Jeff McCaul (Masters in Psychology from St. Bonaventure University) how he bought a house
 in 1999. My father [name] paid employees off a credit card at his failed
 SuperTel stores in Florida forcing Dana to work at them. Audit him. Ask Dana.
 She's findable. His current wife [name] only became a U.S. citizen in 2022.
 My mother's side has plenty of living relatives who will testify about [Wenke's father]
 . I'm the one with legitimate professional references, not my father who moved to
 Florida so he wouldn't have to pay child support. Where's Frank's Friend Fern? That's a gem.
 Fuck your court's psychiatrists and paperwork. I know the truths and lies and my rights too.
 Yes my father has visited me here at Orleans County Jail, but you can ask him about
 his KKK cousin Will Coker who plans on pulling some violent stuff at the Wenkeville
 reunion out in Portville NY this Labor Day weekend. I have no intention on going to. Covid
 made them all go bad. No I'm not fucking submissive, I am a self-financed homeowner
 unlike my father who even owes his parents money big time. Appeals Court is higher than this shit.
 You are all in checkmate in terms of trying to fuck me over because I know truths about my life.
 I haven't even had a chance to explain face to face with any of you. My father does not speak for me.
 He lost in family court. Nobody that ever knew him wants to do business with him. My mom gets a hotel next year, watch.

Luke Wenke
